

# GUIDE

## SAMPLE QUESTIONS LIST

### Learning Goal

I hope to learn from your recent experience moving into your field and get some practical advice about the job search and hiring process.

### About Experience

Can you start by sharing your recent career experience? How did you get this job?

### Specific Questions (3-5 suggested)

1. Skills: What skills and qualifications are most important for me to have to be hired and do well in this role?
2. Hiring: Can you describe the specific steps in your recruiting/hiring process?
3. Role: What are the roles and responsibilities of your job?

### Closing Ask

Do you know of any other roles, opportunities or companies that I should be considering?
