SAMPLE QUESTIONS LIST

Learning Goal

I hope to gain some confidence and insights from hearing about your similar experience.

About Experience

Can you start by sharing your experience in doing what I am trying to do now?

Specific Questions (3-5 suggested)

1. Learning: What did you learn that would be helpful to me?
2. Basics: Can you walk me through the steps in the process? Can you give me any tips on what I should do or avoid?
3. Resources: What resources did you find helpful? Which ones would you recommend to me?

Closing Ask

Are there other resources and organizations you think I should look into or specific people I should talk to? Would you be willing to introduce me?
